

PHILLIPS CRUISES & TOURS, LLC

PRINCE WILLIAM SOUND ALASKA

26
GLACIER
CRUISE™

In One Day!

The *Klondike Express* is a state-of-the-art luxury catamaran that operates out of Whittier, just 60 miles from Anchorage and only 20 miles from Alyeska Resort. This is the largest, fastest, most luxurious day cruise vessel in the State of Alaska.

The **26 Glacier Cruise** offers close up views of magnificent glaciers in Prince William Sound. Our vessel, features upholstered booths with pre-reserved inside seating for all passengers, wide aisles, and huge picture windows. The Klondike Express provides unrivaled luxury and passenger comfort as well as outside viewing decks for an “up-close and personal experience.”

- **Group Rate for 2-300 on the 26 GLACIER CRUISE**
- **Evening Dinner Cruises & Banquets in front of a Tidewater Glacier**

Our cruise is fully narrated by friendly, interesting crewmembers who really love what they do. Along the journey to your first tidewater glacier a hearty hot snack will be served preparing you for the adventure to come. The ship also has a bar, snack bar and gift shop onboard.

With daily departures from May through September this 4.5 hour glacier and wildlife adventure is the perfect fit for any itinerary. Your group can travel by coach, leaving Anchorage as late as 11:00 A.M. FIT passengers can use our coach transportation, the Alaska Railroad or even drive themselves in a rental car.

Please contact us with any questions or price quotations for group travel or vessel charter.
